HUBER TECHNOLOGY
WASTE WATER Solutions

QUALITY POLICY

HUBER Technology is passionate about the continual improvement of Quality throughout the organization. The Company is accredited to ISO 9001 and is committed to:

- Providing products and services which exceed the expectations of its customers and satisfies all applicable requirements, whilst taking into account all environmental considerations
- Meeting the Company's objectives and those of its interested parties and achieve excellence in terms of customer satisfaction
- Providing the appropriate resources needed to operate effectively and to obtain the same level of commitment from suppliers and subcontractors
- Demonstrating senior management leadership and ensuring that the Quality objectives are communicated, understood and implemented throughout the Company
- Carrying out regular Quality reviews at management meetings and other forums to ensure suitability and effectiveness, addressing continual improvement of the Integrated Management System and client satisfaction
- Providing a framework for establishing and reviewing Quality objectives

As a quality focused Company, all personnel share the prime objective of providing a quality service through an appropriate Integrated Management System

HUBER Technology recognises that its social, economic and environmental responsibilities to its stakeholders are integral to its business. HUBER Technology aim to demonstrate these responsibilities through its actions and within the Company policies

The Management Team is ultimately responsible for developing and maintaining a quality-driven culture within the Company. Processes are in place to ensure that each person in the Company understands their importance, what is expected of them and the contribution they can make in the achievement of excellence

The Integrated Management System provides all personnel with an operational framework to help facilitate their roles as well as meet the Company's objectives and compliance to its methods and procedures is mandatory

This Policy will be reviewed annually, amended and reissued as necessary.
